

US Founders Charities

(effective July 1, 2024)

The US WT Foundation was established in 1988 with its primary objective being that of service through charitable and educational avenues. On September 16, 2015 name was officially changed to US Founders Charities. US Founders Charities is a non-profit, publicly supported organization, funded through voluntary contributions from individuals and corporations who support its programs; meant to bring about civic betterment and social improvement, and to also promote the goals and objectives of the United States Women of Today. A Board of Trustees, who are responsible for managing all funds; initiating, developing and administrating programs; and promotion govern the US Founders Charities. Contributions to the US Founders Charities are invested pending expenditures on programs, and income earned from these investments pays for the US Founders Charities program operations and administrative expenses are kept to a minimum, thanks to the US Founders Charities many volunteers.
