Project Start Date	03/19/2022
Project Copletion Date	04/17/2022
Project Description	In collaboration with My Grandmother's Coffee Cakes (MGCC) which offers fundraiser discounts (\$8.50/cake), flyers, and administrative assistance to charitable organizations, we planned and executed a successful fundraiser. We sold 145 cakes (\$15/1 cake and \$25/2 cakes) and made a profit of \$662.50. Four members solicited and sold 126 coffee cakes and 5 members personally purchased 3-4 cakes for their family/friends.
Number of Members	9
Budgeted Income	\$500.00
Budgeted Expense	\$0.00
Recommendations & Notes	Encourage all chapter members to participate in personal purchases and/or sell to family and friends. Most sales were 2 for \$25. Nine cases (16 cakes/case) were picked up from MGCC in Boston, thus if we sell more next year, a larger vehicle or two vehicles will be needed to pick up the cases of cakes. There is no delivery fee when picked up. MGCC will load the vehicles. Cases were too heavy for most members to lift thus cases were divided for members to pick up their sales. Also note that while these cakes are available in area grocery stores, their prices range from \$15 to \$25, types are limited, and they can be up to a year old when stored in a freezer. When we order cakes, they are made fresh (i.e., the day before pickup) and taste wonderfully delicious.
