Project Name	Halloween Treat Bags for Children at the Mission
Project Type	COMMUNITY INVOLVEMENT - NON-FUNDRAISING
Project Purpose or Goal	Provide Halloween treat bags for children at the Lincoln City Mission who may otherwise not be able to go trick or treating and receive candy/treats due to homelessness.
Project Start Date	10/21/2024
Project Copletion Date	10/31/2024
Project Description	We make anywhere from 40 to 80 treat bags, depending on the number of children at the Mission at the time. We contact the Mission to find out how many bags are needed so every child receives one. We have a budget line for this project, and members donate items to put into the bags. We have children/grandchildren of members also help with the project as part of our Youth Program. They decorate the bags with stickers and drawings while we hold our meeting, then help fill the bags with items. We generally use brown or white paper bags. The Mission usually requests no nuts and to limit the amount of chocolate, so we also add rings, stickers, toys, crackers, granola bars, etc. to limit the sugar content.
Number of Members	13
Budgeted Income	\$0.00
Budgeted Expense	\$100.00
Recommendations & Notes	Contact the local Mission or shelter before starting so you know how many children to plan for. It's important all children receive a bag. Any shelter should be able to tell you if they have any restrictions on foods, ie nuts, peanuts, etc. Do your best to follow any guidelines the shelter provides for safety reasons.
