

State Information Packet—Trimester 1

Hello and welcome Chairman of the Board,

As we start this new year, I cannot help but look back. I thoroughly enjoyed working with you and getting to know you as you served your state in a presidential role. Some of you may be serving a second year as COB. We celebrated growth and great accomplishments in both community and programming involvement.

This year we will work together to support the new leadership. We should be there to advise and assist when asked. Be there as support. An encouraging note, email or a phone call is always welcome.

Mary Hansen

Chairman of the Board

Bids will be reviewed by the Dues Billing Contract committee at the Mid-Year Meeting to ensure they are acceptable for presentation. Please contact me for the bid/contract form at cob@uswomenoftoday.org or with any questions that you may have.

We have so much to anticipate this year under President Laura's leadership. Her theme of "Be A Light" is sure to bring out the best in all of us. As we gather "Together in Friendship" this next year we will continue to work to strengthen our chapters, states and for the US Women of Today. Thank you again for the support this past year as I served as the 41st National President. I grew and learned so much and enjoyed meeting so many of you. Working together we will make this next year just as fantastic.
